Our Restaurant History

We make our dough daily, and hand toss each pizza to order. We only use the freshest vegetables bought every other day from our local farmers produce market.

We pride ourselves in using only the finest ingredients from all that we offer. Whether it is a sub on our fresh bread made daily, or our fulfilling dinners, to our 24" pizza with Grande Cheese and our sauce, which is made twice daily, you will have found a taste that you can't refuse!
